ABOUT US

Welcome to Flightparts!

Founded in 2006, we are a professional inflight product supplier, headquarter in Singapore, subsidiaries in Brazil and China. With more than 10 years history, we have built a solid range of product categories including textile, paper, plastic, headphones and much more. We aim to offer our customers a variety of inflight products with the best quality and the best price. We've come a long way, so we know exactly which direction to take when supplying our customers with high quality as well as budget friendly products. We offer all of these while providing excellent customer service and friendly support. That is why we have satisfied customers all over the world, and we are thrilled to be a part of the inflight supply industry. The interests of customers are always our top priority, so we hope you will enjoy our products are much as we enjoy making them available to you.

ULTRASONIC QUILT DUVET FOR EC AND BC OPTION

This new duvet is unique and special design to be ideally optional for new launch. It is finished directly on the machine by welding technology to save plenty of workload and cost compared with the traditional duvet with stitching. It features as same as the traditional duvet with durable wash cycle, lightweight, anti-pilling, warm, soft and breathable. Hundreds of patterns will be on your consideration and brushed microfiber fabric performs soft and smooth for the best comfort.
